EDUCATION

B.Tech, Computer Science And Information Technology
Gandhi Institute For Technological Advancement, Bhubaneshwar
2021 - 2025
CGPA: 8.30/10

INTERNSHIPS

Web Development
GouravGo Technologies PVT LTD, Virtual

Aug 2023 - Present

During my frontend web development internship, I designed and implemented responsive user interfaces, optimized website performance, and collaborated with the team to enhance user experience.

TRAININGS

Software Engineering
CS For All, Online

Jul 2023 - Present

As an apprentice at CS For All, I immersed myself in learning C++, mastering data structures and algorithms, and delving into system design. Gaining invaluable skills for a strong foundation in computer science.

PROJECTS

Flipkart Clone Website
Feb 2022 - Feb 2022

https://www.linkedin.com/posts/md-sohail-ansari-31637a22a_project-flipkart-webdevelopement-activity-6931907870019973121-SdNh/

The objective of this project was to showcase my skills in web development, particularly in frontend technologies, while demonstrating my ability to create a user-friendly and visually appealing e-commerce website.
